

ALADDIN CONNECT

Aladdin Connect is our New School App. The school uses the Aladdin Connect App for administrative purposes and gives you access to messages from the school and to details of your child's attendance, test results, reports cards etc via secure login on the Aladdin Connect App.

Aladdin Connect is a fantastic way to enhance a school's communication with parents. It enables parents to stay connected and informed about their child's education.

School book payments and other school related payments can now be made online through the Aladdin Connect App also.

Please contact the office on 4571226 for information on Downloading the App and to receive your Access Codes.

Digital Technology

Digital technology is important in Talbot SNS . We use two digital platforms: Seesaw and Google Classroom to support our learning. Through these platforms we can create presentations, write stories, do research, record videos of our work and much more! We can access these platforms from home or in school using our school Chromebooks and iPads!
