

Green Schools

Protect our Environment Reduce • Reuse • Recycle

We are officially a Green School. We have 5 Green Flags - for Recycling, Energy, Conserving Water, Travel and Biodiversity.

Each class has a bin for paper, plastic and compost. Every day, each class brings their bins to the recycling area where the Recycling bins are stored. Each class is awarded points for their recycling. At the end of the month the class with the most points wins "Super Recyclers of the Month". We have a water butt on the school yard to collect rainwater and reuse it for watering plants. The Green Team in each class monitor the use of water and electricity in their classroom.

We have a WOW (Walk on Wednesday) day every week where we encourage children to walk to school at least once a week. Two Golden Boot awards are given out at each Assembly to the class from 3rd and 4th and from 5th and 6th who had the most walkers each month.

We also encourage children to cycle to school and have installed bicycle racks. Children who cycle have to wear helmets.

Our Motto is:
"Reduce, Reuse,
