## **2. Assemblies & Achievement Awards**

Every month we have 2 school assemblies in the school hall. One for 3rd/4th class and one for 5th/6th class.

News and important school information is discussed. Awards are given out to our pupils who have been selected as pupil of the month and Gaeilgeoir of the month. Children are chosen for these awards if they manage to do their best in complying with the demands of theme of the month e.g. Most improved handwriting, best efforts with homework etc. Attendance certificates are rewarded to children with full attendance each term.

Classes of the month are also awarded. A class is selected from each level for best "lining up" and yard behaviour.

## **3. Parents Association**

The All-Inclusive Parents Association plays an important role in our school. They meet once a month and they support the school in many areas.

***Fundraising, Personal Accident Insurance Scheme, Concert, Charity work, Bookfair and in many classroom activities.***

All parents, guardians and grandparents are welcome to join!

We are always looking for new members!
