

My first time in Spain

I went to Spain with my Mam, Dad and my brother.

First we flew to Spain and then got on this huge bus. The bus brought me and my family to the resort. When we had checked in we went to my apartment. I got into my swimming gear and went to the pool.

After that, I went to the carnival and drove bumper cars. I also got onto the bouncy castle and then we went back to the apartment and went to bed.

I woke up the next day and got dressed and went to the restaurant in the resort where they were serving breakfast. We went there each morning.

On the last day I woke up at 7.30 and got dressed. Once we had breakfast, the big bus collected us from the resort and it brought us to the airport. In the airport I got a Burger King. Afterwards we got on the plane and went home.

I really enjoyed my holiday and I'm going back next year, I can't wait!
